

MOUNTAIN BIKE – ELECTRIC BIKE

In the middle of the Dolomites every mountain biker's heart beats faster! From the Fodara Vedla hut you can undertake many exciting tours on two wheels. Here you can find our best tips:

1st tour

Passionate mountain bikers can enjoy the challenging climb from Pederù to the Fodara Vedla hut along a 3 km long gravel path. Alternatively, you can take a 50 km bike tour that leads you to the following mountain huts: Pederù - Lavarella - Fanes - Ra Stua - Senes - Fodara Vedla.

2nd tour

Another beautiful bike tour leads you from San Vigilio di Marebbe to Pederù passing by the Fodara Vedla refuge. First you reach the Passo Fodara Vedla, which welcomes you with a beautiful crystal clear lake at an altitude of 2,003 metres. Now you can ride downhill to Cortina d'Ampezzo (approx. 30 km), also known as "Queen of the Dolomites".

3rd tour

From San Vigilio di Marebbe you can cycle to Pederù and to the Fodara Vedla hut. Continue along the mountain refuge Sennes to the Rifugio Biella hut and then cycle back to Pederù (approx. 41 km).

4th tour

Adrenalin lovers can try their hand at the thrilling and curvy Downhill-Trail "Furcia" from the top of the Plan de Corones to the Passo Furcia. Ride downhill along the 4 km long trail with 530 m of altitude difference until you reach the valley station of the Ruis cable car and the Free Ride Tour 5 Torri in Cortina d'Ampezzo.

If you who want to explore the surrounding area by electric bike, you can recharge it at the charging station located at our refuge!
